

RKY CAMP

ON EAGLE LAKE

2021 Family Cabin Rental Program

General Information

The Family Cabin Rental Program is designed to welcome families back to RKY Camp for a largely self-led get away from home this summer. RKY Camp will provide each group with two cabins in proximity for a 5-night experience on Eagle Lake, 50 minutes north of Kingston.

Food service will be provided by RKY's incredible kitchen staff, though whether it is delivered as in-person dining or outdoor take out will be determined in the coming months with guidance from local public health.

Please note that this program is subject to cancellation due to the on-going pandemic conditions and local public health restrictions.

Currently, we are unable to welcome international or out of province families.

What is included?

- Traditional camper cabin with bunk beds/12 single sized mattresses (cabins have electricity but no running water or washrooms inside) from Tuesday 4pm through Sunday at 12pm.
- Picnic table at your cabin and assigned campfire pit (campfires will be allowed depending on the fire rating <https://www.centralfrontenac.com/en/living-here/burn-status.aspx?mid=17909>). Additional wood may be purchased on site.
- All guests will be subject to pre-screening at arrival and will be required to take a COVID-19 rapid test (provided and administered by RKY Camp health lead).
- Daily scheduled and supervised one-hour boating or archery program.
- Additional programming may be provided by RKY staff, though forthcoming guidelines could prohibit some activities this summer.
- Swimming areas to be used unsupervised and at your own risk throughout the day. Physical distance from other renting families must be maintained.

- Washrooms will be cleaned and disinfected twice a day (minimum). Wellness Cottage private bathroom will only be cleaned before arrival and after departure. Cleaning supplies provided for families to maintain cleanliness during their stay.
- Garbage and recycling services.

Available Programs (included in fee):

- Swimming
- Kayaking/Canoeing
- Archery
- Disc Golf
- Campfires (depending on local fire ban)
- Hiking (information about nearby provincial parks also available)
- Fishing (bring your own equipment, catch and release only – license required)

What is NOT included?

These are very important to keep everyone safe and meet health requirements. With our compact site size (12 acres), these need to be followed to ensure the success of these rentals and keep everyone on site safe.

- No access to any other buildings on site beside assigned cabin/cottage and washroom.
- No bedding or toiletries will be available. Hand soap, toilet paper and paper towel will be provided in all washrooms.
- Families are invited to bring their own additional food but please note there will not be access to refrigeration (unless renting the Wellness Cottage).
- No close interaction with other rental families/groups. Of course, you may cross paths with other families but we will all need to respect safe distancing protocols. It is important to only be in program areas that you have booked or been assigned, and travel in your cabin or ‘bubble’ groups.

RKY Family Cabin Rental Rates 2021 (All rates are subject to 13% HST)	
Adults (17 and older)	\$500
Youth (3 to 16 year olds)	\$250
Under 3 years old	Free

For families renting the Wellness Cottage (includes bathroom and kitchen), a premium of \$500 will be added to the final invoice.

How to book?

Cabin rental bookings will be placed through our online registration software. Families will be able to claim an available spot later in May and will have to pay a non-refundable \$50 booking deposit.

Once your spot is confirmed online, we will provide you with a form to complete and identify how many family members/ages of each will be a part of your group.

Any fees paid towards your campers' 2021 cancelled camp can be applied to this program. A final invoice will be sent to you in advance of your arrival to allow for credit card or cheque payment.

We will be making the decision to pivot to this operations model of family cabin rentals in late May after our consultations with local public health are complete.

If you have any questions, concerns, or suggestions please contact us directly at outdoorcentre@rkycamp.org.
